PROFESSIONAL SUMMARY

Trilingual administrative and operations professional with over a year of experience supporting a global engineering multinational. Specialised in contract generation and renewal follow-up, document control and records management, tracking public-sector contract cycles from tender to service order, and analysing ticketing data to drive management follow-up. Experienced in client complaint resolution and call-centre support. Fast learner with any new system; pursuing a Computer Science degree alongside work. Available immediately.

PROFESSIONAL EXPERIENCE

Operations administrator

Schindler | Casablanca, Morocco | October 2025 – Present

- Organized the operations document base, cleaning, updating and classifying client and service files with service leaders, clearing a backlog of records untouched for over six months.
- Tracked the full public-sector client cycle including tenders (appels d'offres), purchase orders (bons de commande) and service orders (ordres de service), ensuring every file was complete, current and traceable.
- Generated service contracts and led renewal outreach to customers reaching the end of their warranty period, following each file through from first contact to signature.
- Recovered accounts affected by earlier service issues caused by incomplete records, handling client objections and rebuilding confidence to secure renewals.
- Analysed ticketing-system data to monitor open interventions and reported, technicians requiring formal follow-up after repeated reminders.
- Handled client complaints from first contact to resolution, coordinating with the relevant service teams.
- Supported the Operations Manager with scheduling, correspondence, document preparation and reporting, and backed the call centre on escalated tickets as the link between agents, technicians and management.
- Provided first-line support to field technicians struggling with the company application, guiding non-technical users through the system.

Hotline Agent - Customer Service

Schindler | Casablanca, Morocco | August 2025 – October 2025

- Handled a high volume of inbound and outbound service calls for a global elevator and escalator company, logging breakdowns and service requests accurately.
- Dispatched and followed up with technicians, keeping clients informed and ensuring urgent cases were prioritised.
- Maintained precise call records in company systems and resolved complaints under pressure.

Receptionist

Salami | Casablanca, Morocco | September 2024 – November 2024

- Assisted customers at the front desk in person and by phone, and managed the reception area and sales transactions.
- Drafted client documents including quotations, contracts and other commercial and administrative paperwork.
